REQUEST FORM FOR BIOMETATEST® ANALYSIS DAPHNE METHOD MOD.62 - Vers. 2.0a del. 10/10/2018® - Form owned by Unizenic Limited.

NOTES: Fill in all the required data in this form (form 62). Contact DAPHNE LAB for payment instructions. Ship the form with the sample to be analyzed and the payment receipt to the address indicated. Sign legible and date the requests. The data must be written in block letters and must be legible. The client accepts all the legal notes of the BioMetaTests, described in the «Legal Notice» and the Privacy Policy that can be viewed on the website or at any Daphne Point. The BioMetaTests are not diagnostic tests, neither clinical, nor medical, nor prescriptive, neither sanitary nor genetic, they do not indicate clinical intolerances to lactose, or to gluten, or any allergies of any gender. BioMetaTests should NOT be performed on pregnant women. Every BioMetaTest request must always be recommended by your doctor. The test reports must always be checked and approved by their own doctor before following any suggested program. The validity of each BioMetaTest is 90 days. View examples of all BioMetaTests available and instructions for completing Form 62 on the website www.daphnelab.com
