WARNINGS: Fill in all the mandatory data in this form 62 Alfa. Contact DAPHNE LAB for payment instructions. Send the form with the sample to be analyzed and the payment receipt to the indicated address. Sign legible and date requests. Data entries must be legible and written in capital letters. By signing this form, the customer accepts the "legal notes" and the "Privacy Policy" conditions that are listed on www.daphnelab.com website. The BioMetaTests are not diagnostic, neither clinical, nor medical, nor prescriptive, nor genetic (DNA). They do not detect clinical intolerances to lactose, nor to gluten, nor allergies to any kind. Each BioMetaTest request shall always be recommended by your veterinarian and the report shall always be submitted and approved by your veterinarian before following any suggested protocol. BioMetaTest results are valid for 90 days. You can view an example of all BioMetaTests and instructions for completing the form 62 on the Daphne website at www.daphnelab.com
